Commissioner for Patents

Alexandria, VA 22313-1450
ATTENTION: Certificate of Correction Branch
of the Patent Issue Division

Dear Sir:

In the August 24, 2006 Notice of Allowability, the Examiner acknowledged a claim for foreign priority and noted that the certified copy of the priority document had not been received. On November 22, 2006, the issue fee was paid, and on November 27, 2006, the certified copy of the priority document was filed.

Because the certified copy of the priority document was filed after payment of the issue fee, the foreign priority information does not appear on the first page of the patent. The enclosed draft Certificate of Correction adds the foreign application priority data. Patentees respectfully request the issuance of a Certificate of Correction.
